

## Zygolex

There are three types of connection: rhyme, meaning and letters. 'Rhyme' connections link both words by a rhyme or half rhyme, 'Meaning' links the words as they are synonyms of each other and 'Letters' links the words by one letter change. The central word is related to the University.

## Dingbats

Use the pictures and text below to work out the names of famous Bristol University alumni.

## Kakuro

Place one digit between 1 and 9 in each empty box so that the sum of the digits in each set of consecutive white boxes (horizontal or vertical) is the number appearing to the left of a set or above the set. No number may appear more than once in any set of boxes.
